Seniors at Home Village of Dunlap Phase ONE Dedication and Phase TWO Groundbreaking

August 10, 2009

A great day of double celebration!

Sixteen new homes were dedicated with a ribbon-cutting ceremony for Phase ONE of the *Seniors at Home Village of Dunlap, TN*. In only one year's time, nineteen senior homeowners have moved into new homes of their own, many from conditions unacceptable for housing.

But the day was a double celebration! The dedication ceremony was accompanied by a

groundbreaking ceremony for Phase TWO of the *Seniors at Home Village of Dunlap*. With the presentation of a check from the *Federal Home Loan Bank of Cincinnati* for \$696,500, fourteen more homes will be built for qualifying seniors in the Dunlap area.

Groundbreaking Ceremony for Phase TWO of the Seniors at Home Village of Dunlap
